Leipzig Perioperative TEE Masterclass

State of the art and beyond
June 20th – 22nd, 2022 . live+virtual

Welcome to Leipzig! Leipzig Perioperative TEE Masterclass

Dear Colleagues,

On behalf of the Herzzentrum Leipzig and the international faculties it is our great pleasure to welcome you to the first Leipzig Perioperative TEE Masterclass!

After decades of conventional teaching, it is time for a completely new and innovative format! During the upcoming course you will be able to be with international masters as they perform live state of the art TEE examinations. Probe handling, knobology and TEE images will be simultaneously displayed in HD quality either in the lecture room or online.

Additionally to the live transmission all procedures will be recorded and become immediately available online for course participants.

Looking forward to seeing you in Leipzig!

Joerg Ender and Massimiliano Meineri
